Dear Dr. Landete-Castillejos,

Considering the benefits that your association may have for deer breeders in Latvia and development of the deer industry in Europe, and taking into account the success of your previous activities, the Ministry of Agriculture of Latvia confirms to become supporter of IDUBA as a non-profit organization.

Therefore, you can use the logo of our ministry in your web page (www.iduba.net; www.iduba.info), in published articles and in meetings organised by IDUBA. This support, however, does not involve any financial liabilities present or future, and our logo cannot be used for commercial purposes or other than those indicated above.

Let me wish you, Vice-President Dr. Dainis Paeglitis and all the people joined at IDUBA a good success with your association and meetings.

Yours sincerely,

Jānis Dūklavs
Minister for Agriculture
